

Dear Researchers!

April 22 2023

Do you get excited about talking about your research to your friends/interdisciplinary scientists? Do you want to make others excited about your work? *JoLS* is bringing this opportunity to you, "Research in 5 minutes".

JoLS is proud to announce the launch of its [YouTube channel](#), and we invite oral presentations of scientific work in a video format from the research community to be featured on our channel and on the *JoLS* portal.

**RESEARCH
IN 5
MINUTES!!**

ARE YOU EXCITED
ABOUT YOUR
RESEARCH?

Calling all Postdocs, Grad Students,
Principal Investigators
Research Associates, Interns ..

Send us a 5 minute video
and abstract (150 words)

info@JournalofLifeSciences.Org (Life Science)
Info@PostdocJournal.Com (Others)

More information: <https://www.journaloflifesciences.org/>

JoLS Journal of Life Sciences,
a Postdoc Community Initiative.
ISSN 2688-1020

Please see the following guidelines and recommendations:

Who can submit the recorded presentations?

Principal Investigators, Postdoctoral scholars, Research Associates, PhD students, Research interns

Category: ALL disciplines of research

What can be included in the presentation:

- Summary of an already published work
- Current status/progress on an ongoing research project
- Wider applications of current or novel tools, techniques, and methodologies
- A new research concept, and possible benefits/applications
- A broad review of an important research topic and possible future directions

Please limit the length of the presentation to 5 minutes and the abstract to 150 words. Any digital device can be used to record the presentations (e.g., smartphone, laptop, tablet, etc.)

Send your Research in 5 minutes to:
